Adjustable Opening Bin

- Constructed of prime cold-rolled steel
- 23-3/4" wide design allows unit to fit perfectly on the end of back-to-back 12" deep shelving
- Fixed shelves are slotted to hold vertical dividers
- Vertical dividers are removable allowing the creation of multiple bins
- 1-1/4" high shelf fronts retain parts and provide areas to accommodate labels
- Compartment bottoms are angled to make part removal easy
- Keyhole slots in back panel allow wall mounting
- Durable, gray, powder coat finish

Heavy Duty Bearing Slide Rack (Holds Large Compartment Boxes)

- Sturdy construction using prime cold-rolled steel
- Each cradle holds up to 75 Lbs.
- Solid cradle extends beyond the opening of the unit when in the open position reducing the chance of drawer covers closing when not intended
- Slides can be replaced
- Positive closure feature keeps trays from sliding out unintentionally
- Punched holes for easy installation of locking hinge (locking hinge not included)
- -DR model includes door and lock with 2 keys
- Base is available as accessory
- Durable, gray, powder coat finish

- Molded using durable polypropylene plastic
- Back tabs allow Hook-On-Bins® to hang from louvered panels
- Specially molded top edges allow stacking on any shelf
- Angled front edge makes it easy to see contents and to pick parts
- Additional ribbing and double wall front is incorporated in the design for increased rigidity and to prevent warping
- Front slots hold identification tags, cards or labels
- Molded finger grips make handling easy and comfortable
- Model PB30250 has slots for 3 dividers; all other models can accommodate 1 divider
- Dividers can be placed horizontally or vertically
- Divider break away features allow sizing of the dividers so you can access all products when bins are stacked
- Fit neatly on other cabinet and shelving brands
- Optional lengthwise dividers are available

ERGONOMIC WORKBENCHES

FOLDING LEG STYLE

Adjustable Height, Folding Leg Work Bench (2,000 Lbs. capacity)

Model
WBF-3696-95

- 14 gauge steel top with formed channel
- WBF-TH models are 14 gauge steel top covered with a durable tempered hard board
- Legs are adjustable on 1" centers
- Provisions for optional drawer Model # 177-DRAWER-95
- Easy to assemble
- Bench height adjustable from 26-5/16" to 42-5/16"
- Hinged legs are welded to the top using full length piano hinges
- Legs can be easily folded allowing benches to be stored in less space
- 7 gauge steel corner gussets for added strength
- Easy assembly using fasteners provided
- Durable, gray, textured powder coat finish

2 Shelf Stock Cart with Raised Handle

- 14 gauge, all-welded, steel construction
- Sturdy, tubular, raised push handle
- Standard units have 1-1/2" lips up
ALD units have flush shelves
ALU units have all lips up
- All casters: 2 rigid, 2 swivel
- 1-1/2" x 1/8" angle iron uprights for added strength
- Ships fully assembled
- Durable, textured, gray powder coat finish

Heavy Duty Mobile Storage Bin (2,400 Lbs. capacity)

- 14 gauge, all-welded, steel construction
- Super strong, will not warp
- Top surface is 49-3/16" above the floor
- Shelf clearance is 13-3/8"
- Sturdy, tubular push handle aids in mobility
- 6" x 2" bolt on phenolic casters. 2 locking swivel & 2 rigid
- Ships fully assembled and ready for use
- Durable, gray, textured powder coat finish

Durham Manufacturing's gas cylinder storage cabinets are designed and constructed in full compliance with OSHA and NFPA standards for the storage of gas cylinders only. All compressed gases must be used in accordance with OSHA regulations and the Compressed Gas Association's (CGA) Pamphlets which have been adopted by OSHA regulations by reference.

For proper storage, handling and maintenance of compressed gas cylinders, please consult Compressed Gas Association Pamphlet P-1 and U.S. Department of Labor, OSHA General Industry standard 29 CFR 1910.101 which adopts by reference the Compressed Gas Association's (CGA) Pamphlets C-6-1986, C-8-1962, and P-1-1965. The Compressed Gas Association has updated the three pamphlets cited by OSHA as C-6-1993, C-8-1997, and P-1-1999.

Compressed gases should only be handled by experienced and properly trained people. [CGA 3.4.1] Durham Manufacturing's gas cylinder storage cabinets are for the storage of gas cylinders only.

WARRANTY, TERMS & CONDITIONS

Warranty

The Durham Manufacturing Company warrants that, at time of shipment, the products manufactured by Durham are free from defects in material and workmanship. Durham's obligation under this warranty is limited to replacement or repair of such products within one year from the date of shipment. No material is accepted for replacement or repair without the written authority of Durham. A decision as to whether a defective product will be replaced or repaired will be made only after an examination of the product at our plant. Durham is in no event

liable for consequential damages, installation costs or other costs of any nature as a result of the use of the products manufactured by Durham, whether used in accordance with the instructions or not. This warranty is in lieu of all others, either expressed or implied. No representative is authorized to assume for Durham any other liability in connection with Durham's products. See the company website for full warranty details.

Payment Terms

The terms are net 30 days for all companies with approved credit. To establish credit, submit: signed Durham credit application, resale certificate, one bank and three trade references. Durham also accepts most credit cards.

Minimum Order

\$25.00

Freight Policy & Terms

All shipments are made FOB shipping point. Because of our freight volume, we receive deep discounts from a wide range of large national carriers. Customers are invited to contact our Customer Service Department (1 800 243-3774) Ext. 7300 or 860-349-3428 and discuss how they may take advantage of discounted freight. Small package service is available utilizing UPS or Fed Ex Ground for some Durham products.

METHOD OF SHIPMENT

Orders will be shipped by specifically requested carriers whenever possible. If there are no special instructions, Durham will ship via the best available routing, prepaid & add.

Returns

Returned goods will not be accepted without a *return authorization number* which can be obtained by calling Customer Service. All returns must be shipped back in the original cartons and packing material, freight prepaid.

All returns are subject to a 25% restocking charge. Custom or modified items are non-returnable. See the company website for full warranty details.

Packaging

All possible care is taken to ensure safe, damage free shipment. Special packaging has been designed for every SKU and is packed to industry tested standards. Foam inserts, corrugated inserts and Sus-Wrap are used wherever applicable.

Palletized shipments are stretch wrapped. Special requirements for carton identification i.e. part numbers or bar coding, can be met.

Disclaimer

Durham Manufacturing products shown in this catalog are subject to change without notice. Durham has made every effort to illustrate and describe products in this catalog accurately; however, illustrations and descriptions are for the sole purpose of identification and do not imply a warranty that the products are fit for a particular purpose.
