MADE IN THE USA
LIFETIME GUARANTEE

As any tool user knows, keeping your tools and your workspace organized is vital to working at your best. However, staying organized is also one of a tool user's biggest challenges!

Ernst is devoted to helping you manage your tool storage and organization. We know that options are a must as every set of tools is as unique as the individual who owns them. In this catalog you will find the widest variety of tool organizers on the market in one place. Our products are always great items to keep on hand in any garage. Get prepared and work smart with these convenient time-saving products.

All Ernst products are proudly made in the USA and are backed by a lifetime guarantee. That's a promise direct from the manufacturer!

REV IT UP!

Thank you from the team at
Ernst Manufacturing, Inc.

TWIST LOCK SOCKET CLIPS

Our Twist Lock socket organizers provide all the versatility you have come to expect from Ernst, with added "stay put" security

With a simple twist your sockets are firmly secured in a locked position.

Twist in the reverse direction and your sockets are free to remove. The tension is a perfect medium so you do not have to fight with your sockets to lock them into place and you don't have to worry about them being too loose. Just a simple 1/8" turn and your tools are secured. That's great news for those of you who need to transport sockets around the shop – wait, isn't that all of us?

Gripper Wrench Organizers

Gripper Wrench Organizers help you organize your wrenches, and securely transport wrenches to the job site.

These superior organizers provide the ultimate in tool box storage. They accommodate a wide variety of wrenches and allow for immediate recognition of a missing wrench.

Our Wrench Organizers are made from soft, flexible material. While holding wrenches secure for transportation, they also allow for easy one-handed engagement and removal of wrenches.

Patent US 5,638,964

Wrench Pro **NEW**

The new Wrench Pro is a versatile wrench organizer designed to save valuable space in the toolbox by storing wrenches upright to fit more tools in compact spaces. The modular design is very easy to set up and break apart for custom wrench sets and holds any number of tools needed in one section. Fits a wide range of sizes and wrench types. Identification labels are included so you can easily see wrench sizes and spot missing tools. Cleats sink into drawer liner and prevent movement when drawers are opened and closed. Magnetic options are available to provide an even more secure drawer mount.

Jack Stand Covers ■

Warning: Your jack stands may be missing an important piece. Using jack stands has always risked scratching your frame, marring powder coatings or your custom finish — and possibly leading to rust problems. Until now! Don't worry about rummaging around to find dirty old shop rags or scraps of wood to cover the tops of your jack stands. You've spent a lot of time and money on your vehicle. Help protect it with Ernst Jack Stand Covers.

Made of high-compression, rubberized material, these jack stand covers fit most two-ton to six-ton jack stands. **Dimensions:** 4.50" x 1.50" x 2.00" per piece
